

Oscar Mayer Ltd Corporate Social Responsibility (CSR) Policy Statement

CSR Principles:

Oscar Mayer Ltd is committed to conducting its business in a responsible and sustainable way. Expectations are for us to be part of a sustainable supply chain, fully understanding our customers and consumers. *Producing food responsibly*

It is our belief that a sustainable business model is achieving commercial success, whilst delivering social value all within environmental limits.

Oscar Mayer Ltd's CSR Commitments are built on 3 critical pillars:

People & Communities

Oscar Mayer Ltd's cornerstone is its people; their loyalty, dedication and long service all contribute to the continuing success of our company. We focus heavily on development, not only for the future success of our employees but to ensure the sustainability of our business. We work in partnership with local charities and organisations nominated by our people to have a positive impact on the communities where we live and work

Product & Supply Chain

We are committed to supplying outstanding quality, value and service to all our customers. Oscar Mayer Ltd is committed to ensuring a high standard of ethical trade practices, including the provision of safe working conditions and the protection of workers' rights, across our supply chain. We purchase goods and/or services globally in accordance with our Ethical Trading Policy; which contains all the principles of the Ethical Trading Initiative Base Code. We seek to engage with suppliers who adhere to socially responsible business practices.

Environment

Our environmental pillar is centred on resource efficiency, reducing waste in every part of our business. Eliminating unnecessary waste makes economic sense and reduces our impact on the environment. Improving the environmental sustainability of our operations means we are more resilient and enhances the sustainability of Oscar Mayer Ltd as a company and, ultimately the products we produce.

Focus Areas:

- 1. Our People & Communities**

How do we deliver?

All the elements of the CSR policy are directed at a group level, delivered by the site teams and are backed up by Company policies including Oscar Mayer Policy on Ethical Trading, site H&S policy, site HR policies and our site Environmental Policies.

Key Performance indicators

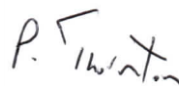

Site targets include KPIs covering health and safety, ethical compliance, human resources and the environment with best practice shared across the group

Where we deem longer term vision necessary, we have time-bound targets which we report annually and include:

- Carbon Reduction (Scope 1 & 2): 20% improvement by 2025 against our base year 2019/20
- Water usage 20% improvement by 2025 against our base year 2019/20
- Halve food waste by 2030 against our base year 2016/17
